SKY PILOT

Dear PURELY 18,

It is true that I don't look like a man who would appreciate a girl like Skylynn (PURELY 18, Oct. 2008). She's a beautiful young woman, while I am probably most resembling of a gargoyle and certainly much older than the blonde lass. But if opposites really do attract, then she and I would be a match made in Heaven.

I already love everything about her: the pink bikini top and skirt, the blue panties with white polka dots; the itty-bitty titties, the smooth pussy—what isn't to love? Perhaps best of all is I know she's a fun girl not just by her bright eyes and smile, but the way she slingshots her bikini top and isn't afraid to get wet! And I'd make sure she was wet, I tell you what.

I don't know what kind of control you have over these girls, but if you could get me just one date with Skylynn I would be forever grateful. I'm confident that I can win her over from there. Thanks in advance for your help.

Zimmy
Jackson, MS

Dear Zimmy,

While we certainly claim no "control" over the gals who appear in PURELY 18, we do of course have better access than your average man on the street. That said, we are always happy to pass on reader information to the ladies, but that's as far as we go. We will say that we agree that Skylynn is a gorgeous girl and we wish you the best of luck!

ARIANNA LOVER

Dear PURELY 18,

K-Man here coming to you live from America's favorite state. I thought I'd drop a dirty little line to let you know that Arianna is the bomb! Not only is she totally hot, in my opinion she is one of the most unique-looking girls I have ever seen. Do you know her heritage? I'm real life curious about this girl. Reckon it don't much matter in the end, long as she's hot and horny, which she plainly is.

I gotta admit I've never been a believer in vibrators. My way of thinking is that if a dame needs something crammed in her coochie, there's plenty enough men out there to help 'em out. Still, I take no exception to lovely Arianna stuffing her muffin with that fake dick. What the heck, right, she seems to enjoy it and I actually quite liked seeing it disappear into her pussy. I thought at first my cock would be too big for her since she doesn't look very big, but after seeing that thing slide into her hole I think she could probably take me all right.

I got only one question left: What was she listening to on the headphones when you guys were shooting her? We have a right to know.

Dear K-Man,

Not only are you one of many to write in about the beautiful Arianna, you ask a couple questions that many other readers also asked. So let's clear up what we can. First, her heritage: We don't know. Second, what was she listening to with her headphones? There is some controversy about that. The photographer claimed it was gangsta rap, while two of his assistants alternately insisted Nirvana and Sneaker Pimps. We asked Arianna, too, and she couldn't remember. It seems no one really knows for sure!

HEY-HEY RENAE

Dear PURELY 18,

I've seen that Renae before, probably in your magazine, but man I never saw her looking as good as in the October issue. Holy cats, man, she's gorgeous! She's got those full boobies and tasty-looking snatch and round rump and man I just want to yank that vibrator right out of her wet hole and shove my dick in there and let her ride it until the sun comes up.

Do you remember this layout? I'm sure you must. It was the one where she was wearing jean shorts and the pink top and the pink panties with flowers. Surely everyone remembers her pulling on her panties with her teeth and then stuffing that pink-and-white vibrator in her kind of hairy pussy. Man, what I'd give to see that again. Oh, right, I still have the issue! Give us more Renae!

JC
Chattanooga, TN

Dear JC,

We sure do remember Renae. Who could forget that sexy little Latina who plays with our minds when she plays with her pussy?! She's a top-shelf babe and we'd be plenty happy to bring her back, so don't get so wrapped up in that one issue that you miss her next time!

MOANIN' FOR ILLONA

Dear PURELY 18,

As a long-time fan of all things pornographic, I think I have a pretty good idea of what works and what don't. Illona, the scrumptious girl on your October cover, works like a coal miner during an energy crisis. Hell, she got me buying your magazine (and subscribing), so that tells you pretty much everything.

What I probably don't need to tell you is that girls that fine in the face and with big racks and pretty-as-pie pussies are just what us guys out here want to see. And when you can get girls like that to play with their pussies for the camera, well that's just the kind of thing that keeps a man coming back for more. Nice work.

Waylon
Reno, NV

Dear Waylon,

We appreciate your fine eye, kind words, and your subscription! Illona is certainly a babe and even after all these years we are still shocked every day by the lovely girls who are all so eager to doff their duds for PURELY 18 readers. Stick around, you won't be disappointed!

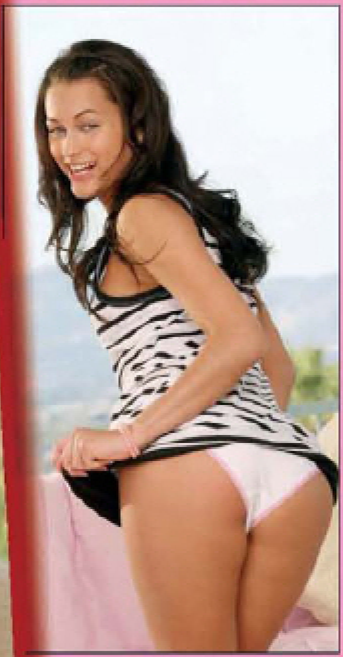
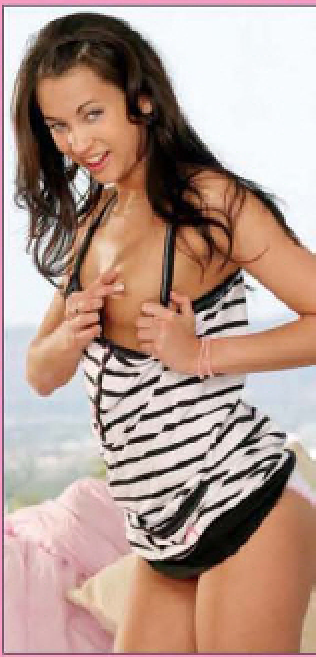
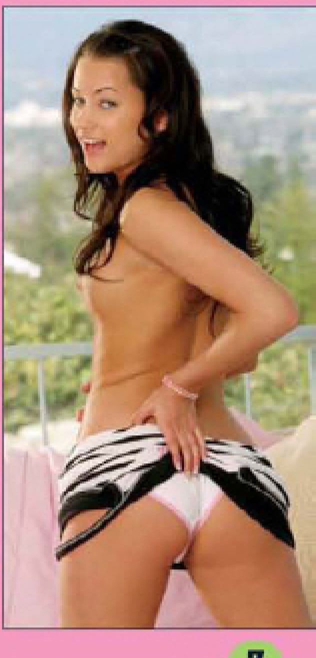
PERFECT PEACH







Gorgeous and playful . . . sensual and sweet . . . young **Georgia** is all things to all people. She is a rare find in that she *never* takes a bad picture. The perfect model, the perfect girl . . . she's so hot, they had to name a whole state after her! Just kidding, of course, but can you imagine what it would be like to spend a weekend with this bewitching brunette—what you could do with that sexy face, those firm boobs, that toned tummy, beautiful round ass, those shapely stems, and that juicy, perfect pussy! Yikes!

A Young Girl's Diary

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Rose, a curious 18-year-old, as she ponders her world of . . . what else . . . **SEX!***

Dear Diary,

You know how cautious I've always been with guys. Just like Mom says about her drinking, "Never mix, never worry," and I truly thought that would get me through all my relationships in life. Boy was I wrong!

Every guy I date turns into a big fat cheater! I used to be so naïve! That is until I caught Ira cheating with that hussy Lana. He told me that his aunt was sick and he was going to be taking care of her all weekend. I don't know why, but I drove by his house anyway and I saw his car so I went around back and looked through the window and there they were: He was leaning against the wall and she had his whole penis in her mouth! I couldn't believe my eyes!

Well, that does it. I'm sick of practically being a virgin and guys always going around screwing sluts behind my back. I will get my revenge!

Dear Diary,

I've figured out how I want to get my revenge on Ira. Since he doesn't know that I know he's a big ho, I thought the best thing to do would be to cheat on him with someone who would really drive him nuts—Lana! I saw her today in the cafeteria and invited her over Friday night. That way she can't be sucking on Ira's dick and it'll drive him crazy wondering what we're doing. It's perfect!

Dear Diary,

It's Sunday now and Lana just left a couple hours ago. I'm really tired, but I'll try to tell you as much as I can before I go to bed. She came over on Friday night and we hung around talking and drinking and one thing led to another and next thing you know, the sun is coming up and I have my face between her legs—for like the hundredth time!

You know, I'd never been with a girl before and neither had Lana. But when we were talking, it came up that we'd both thought about it and I don't know who made the first move but we started kissing and then feeling each other up and then down and—I can hardly believe I'm saying these things, let alone talking about myself!—we totally did it! Everything!

I was so wrong about Lana. I thought she was just a big sleaze, but she's really special. She's cute and funny and I know I've only had my pussy licked a couple times, but now I think girls really are better at it. And I thought guys were always saying that as an excuse to get two girls in bed! Sheesh. Lana knows how to use her tongue and fingers in ways I'd never imagined. My kitty was purring all weekend! She taught me a lot, too, and not just about being with girls. My plan is playing out perfectly!

Dear Diary,

I know I haven't exactly told you everything lately, but that's just because I wanted to make sure everything was super-secret as I put my plan in place. Tonight everything will come together. Lana is going to come over for dinner and I told her to bring a bag so she could stay the night. She doesn't know that I've also invited Ira over and boy is he gonna flip when he sees what we've been up to!

Dear Diary,

Sometimes things don't turn out quite the way we plan them—they turn out even better! Lana came over like I told you and we cooked dinner and then settled in the living room to "watch a movie." Of course we didn't get past the opening credits before we were ripping off each other's clothes. She went down on me first and she did this crazy flicking thing on my clit while tweaking both my nipples that really set me off.

When it was my turn, I made sure to sit her in the chair facing the window so that Ira could totally see what was happening before he even had a chance to knock on the door. So there I was playing with Lana's pussy—did I tell you it's completely shaved? I thought it was weird at first, but now I'm thinking about doing it, too—when she starts to get really loud. And I mean loud! She was screaming and her head was flying back and forth and then I feel her fingers on the back of my neck and I look up and her hands are both gripping the back of the chair—it wasn't her hands on me at all! She was smiling at me so I knew whoever it was had to be okay so I just kept eating her out until I felt something bump into my ear. I turned my head and it was Ira's cock! I'd only seen it a couple times but suddenly it just looked huge. When I turned my head it was like an inch in front of my mouth and without thinking, I just put it in there and started sucking on it.

> *"She grabbed his dick from between my legs and jerked it off until he came right there on her face. Then she started kissing me, getting cum all over my face and in my mouth!"*

Pretty soon Lana was rubbing up against me from behind, whispering directions to me. "Cup his balls with your hand," she said. "And let his cock go back into your throat. Use your spit as lube. Good girl."

So I gave him a blowjob right there in front of Lana while she held my hair out of the way and stroked my pussy, which I could tell was totally wet. Then she whispered, "I think you're both ready," and she gently turned me around and sat me in the chair. "Sit right up on the edge," she instructed, "that way he can get his whole dick in there easily." I kind of sat on the edge, propped up on my elbows, watching kind of nervously. Lana then spread my pussy open, grabbed his cock and guided it inside. I closed my eyes and just let him screw me while Lana played with my clit. It was probably the greatest feeling in the whole, wide world!

Lana asked if she could have a turn and I said okay. She told me to lie on the floor in front of her. She got on her hands and knees and Ira pulled in behind her. She ate my pussy while I watched them fuck. It wasn't quite the way I'd imagined things, but it sure felt good. I was really turned on watching Ira's long dick slide in and out of her pussy and the expressions on his face as he banged her. He looked me right in the eye a lot of the time and it just made me hornier. I also really liked watching how Lana moved her

body. She's really active and vocal and kind of talks a lot, you know, saying dirty things like, "Drive that pecker deep into my juicy twat!" and "Make me cum on your dick, you dirty prick!"

They fucked for quite a while and I didn't mind because I liked the view and loved what she was doing to me. Then she moved everybody around. Ira sat on the chair and I sat on him faced the same way. She said it was called "reverse cowgirl." I didn't understand it at first, but once I got on and she started lapping at my pussy, it all made sense. She stopped a couple times to teach me how to bounce and grind on his cock, but mostly she just licked my clit and fondled his balls and said encouraging things. I was just riding all over the place and then suddenly my body started shaking really weird and I guess I sort of lost control, moaning really loud and seeming to move with the waves that were going through my body. She said that was my orgasm and I can't wait to have more of those! Right after that, Ira started grunting and Lana told me to lift off his cock. I did and she grabbed his dick from between my legs and jerked it off until he came right there on her face. Then she stood up and started kissing me, getting cum all over my face and in my mouth. I always thought it would taste icky, but it was actually really good.

After that she and I went into the bathroom to clean up and when we came back out, Ira was gone. I asked her where she thought he went and she said he went home. I asked her how she could be so sure and she said that was how they'd planned it. Here I thought I was setting them up and they were one step ahead of me all along! I can't wait to find out what they have planned next for me....

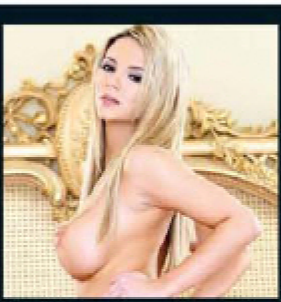
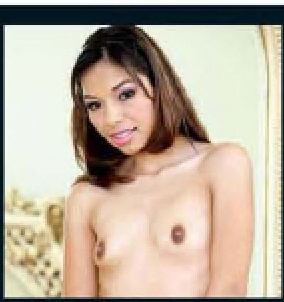
ASHLYNN & FRIENDS #5

Story By Acme Andersson



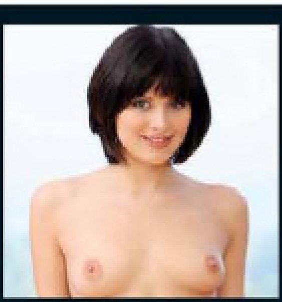
ASHLYNN BROOKE



ESTRELLA FLORES

NIKKI KANE

HALIA HILL



ELLIE IDOL

Everyone knows that hot chicks have hot friends, and Ashlynn Brooke is certainly no exception. So blonde and lovely herself, the New Sensations contract girl yet again brings her sexy gal pals in for some romping fun. She has a pretty sweet time herself, too.

Her friends in this fifth volume of the **Ashlynn & Friends** series include some real cuties: slender Latina Estrella Flores; bombshell Nikki Kane; Halia Hill with her pumped-up titties; and ambitious brunette Ellie Idol. Every girl gets her man and loves every second of it. All of the action is captured for our enjoyment by one of the industry's best directors, Tyler Scott.

Like Ashlynn says, "I like to make sure my girlfriends are happy." One suspects the guys around her are all pretty happy, too. We sure are.

Ashlynn Brooke

Ht: 5' 2"
Wt: 106
Measurements: 34C-23-33
Man: Ramon Nomar

Ashlynn is napping on the couch, dreaming restlessly (about getting fucked, natch) when her guy Ramon comes along and starts in sucking her feet. She comes fully out of her dream state when Ramon's hand reaches her sheer panties, followed quickly by his tongue and fingers. His digits find her spot and she is soaked in the frenzy.

While fingers are fun, Ash knows there's something even more to her liking: his big dick. She fluffs him with her mouth and then claws her way to the top, a beautiful blonde vision as she bounces up, down, and all around. Ramon negotiates his way into a different position, first in spoon, where he clutches one of her weighty melons in one hand and holds a leg open with the other, plowing as she looks at him lovingly. He continues his push until he is on top, Ashlynn mumbling motivation as he sinks deep into her shaved hole.

After joyfully taking his drilling every which way, Ashlynn once again finds herself on top, this time for a reverse cowgirl, her fingers rapid-firing against her clit as she watches his pecker slip in and out of her glorious hole. It's exactly what she needs to get off, and her orgasm works perfectly for Ramon, who happily pulls out and blasts his semen all over her titties.

Estrella Flores
Ht: 5' 6"
Wt: 120
Measurements: 34A-22-32
Man: Jordan Ash

Estrella may be lounging on the couch, but she's not sleeping. Instead she is feverishly fingering her twat while squeezing on her nipples. Guy-pal Jordan isn't about to leave the poor hottie to her own means and steps in to help the girl along on her quest for satisfaction. He pulls away the sheet that covers her and goes straight for her girlhole, tonguing her clit and sucking gently on her snatch.

She digs all the sucking and decides to get in on the action herself, undoing his pants and unleashing his magic wand, jerking it to stiffness and then sucking on it with passion and precision. Jordan's reaction is predictably positive and before long he's ready to switch holes. Estrella politely lies on her back, legs spread vertically, lightly muffed pussy hole open slightly in anticipation. "Fuck me!" she screams as his cock fills her hole. "Si, give it to me!" She curves her body up so that her lower half is off the ground and the perfect target and he drills her like she's full of enough oil to stop the shortage.

On top she is no less enthusiastic. She plays with her own ass as she rides, grinding hard onto his massive meat, her small but round ass jiggling transcendently toward the camera. They move into a piledriver and Jordan finds the perfect position to blow a load. He slips it out of her gash and, anticipating the white stuff, she sticks out her tongue and wags it back and forth. The creamy streams shoot toward her mouth, some hitting the target while others douse her face and tits.

Nikki Kane

Ht: 5' 5"
Wt: 115
Measurements: 34B-23-35
Man: Michael Stefano

Michael is already in the glass-enclosed shower when naked Nikki plants herself outside, taunting him by bending over and knocking on her front door with her fingers. He doesn't put up with it for long, exiting the drizzle of the shower to explore the wetness of her hole. She responds in kind, jerking him stiff and then stuffing him into her mouth.

They move in to the bedroom and he munches on her meaty lips before spreading them open and inserting his love rod. She looks at him as his meat gains footing in her 'gina, her snatch flaps wrapped tightly around his penetration stick. He whispers sweet whatnots to her as her moans build volume. By the time she gets a turn on top she has the volume turned up to 11. "Oh fuck yeah," she says, "you like that tight little pussy? Let me ride that fucking dick!" She paws at her velvet underground, then leans back and cuts loose.

They leave the bed and settle in front of a mirror where Stefano nails her from behind, the pair watching each other in the mirror. Michael rams her faster and faster until she cums on his cock, then she tells him that she wants his load. She gets down to her knees and she takes a huge blast to her mug.

Nikki gets sticky, riding a dicky!

Halia Hill
Ht: 5' 4"
Wt: 100
Measurements: 32C-24-34
Man: Tony De Sergio

As an experienced pianist, Tony can literally play a girl right out of her panties. It sure works here with Halia, who can't help but unleash her bolt-ons and slip her fingers up her dress. All this is not lost on Tony, who quickly forsakes tickling the ivories for tickling her tonsils with his pro tool. And she's not about to let him stop there.

Halia starts on top, her brown lips clenching tightly around Tony's dick as she gives him the up-and-down, no doubt waking up the neighbors in the process with her ecstatic moaning. When she leans to her side, Tony follows and finds that it gives him more pummel control, and he uses it wisely, ramming the beautiful brunette to orgasm. She finally gives herself to him completely, enjoying the unabating ramming.

Tony turns her over for some doggie and slams it deep inside her. It's just her style and soon she is cumming again, his cock glistening with her juices. She bends over even further, wetness literally dripping from her gash as Tony polishes her off. "Please cum all over my face," she shouts. Within seconds there are several globs of Tony's jizz dangling from her chin. Take that, Mozart!

Halia Hill gives us one hell of a thrill!

Ellie Idol

Ht: 5' 4"
Wt: 120
Measurements: 34B-23-33
Man: Steve Holmes

Ellie likes to sleep, savoring her dirty dreams deep into the morning. Steve is lucky enough to walk in during one of her wet dreams. He pulls down the sheet and hears a vibrating sound. What could that possibly be? He looks left, he looks right, and then he peeks into her panties so tight: There it is! A little pocket-rocket pressed firmly against her hot spot. No wonder she never seems to get out of bed!

Steve's intention is definitely to keep her in bed, and he does a prime job of it. Before she even sees his cock, Ellie is writhing in ecstasy, hands groping her body as he works the vibe, fingers, and tongue on her meaty flaps. She fondles him, too, and it's not long before she gets the idea to combine all these actions and that's when she calls for his poker.

Steve pulls in behind for a spoon and Ellie screams with pleasure as he works his way deep into her tight spot. Steve's hands reach around to play with tits and clit as Ellie lets go completely, grinding back into him for maximum penetration. Their flesh slaps as they come together, creating the rhythm, while the vocal talents are all Ellie's.

She gets on top and slides enthusiastically onto his dick, her tight ass a blur as she takes the up-and-down to a level scientifically proven to get any hot girl off. For good measure Steve slips a finger between her legs to massage her clit. Of course she's happy to get her man off, too, and when Steve is primed to blow she opens wide and he overflows her mouth with his manly wad, sending wads of his jizzness streaming down her face.
